Experience

Isometric **2017–**
Design Director / New York, NY
Works on a team to develop visual identities,
typefaces, spreads, and exhibition design for a
variety of clients including The Museum of the
City of New York and the P.D. Soros Fellowship for
New Americans.

Press Press **2017–2018**
Freelance Designer & Developer / Baltimore, MD
Designed the visual identity and user experience
for Press Press' newest project, *Sentiments*,
an online publication of essays and interviews, in
addition to coding the final website.

MedStar Health **2016**
Graphic Design Intern / Columbia, MD
Designed graphics in line with the MedStar
brand standards for both print and web initiatives.
Researched and developed written copy as well
as visual communication strategies for a number of
reports, fliers, and other brand deliverables.

WMUC-FM **2013 – 2015**
DJ / College Park, MD
Held a variety of responsibilities including
creating show content, as well as contacting and
organizing guest musician contributions.
Interviewed and approved potential candidates for
station management positions and trained new
DJs. Created flyers and social media accounts to
promote the station.
